Understand the Types of Study Abroad Programs

WHAT TO KNOW

Your main options: **direct enrollment** (you enroll at a local university — the most immersive), **exchange** (through your home university—s partnership — you pay home tuition), **third-party provider programs** (which bundle courses, housing, and support — the most guided), and **faculty-led short programs** (a few weeks with your own professors). Browse and compare options in the **K12 Academics directory**.

HOW TO HELP

GOOD TO KNOW

Find and compare **specific programs, providers, and host universities** in the K12 Academics directory — this guide stays program-neutral.

Understand Credit Transfer & Academics

WHAT TO KNOW

Credits use the **ECTS system** (30 ECTS ≈ a full semester). Before you go, **get your courses pre-approved by your home study-abroad and academic advisors** so credits transfer cleanly toward your degree. You'll receive a **transcript** to bring home — keep syllabi and coursework in case of later evaluation.

HOW TO HELP

Protect your credits — get courses **pre-approved by your home office**, understand ECTS and local grading, and keep syllabi for transfer.

GOOD TO KNOW

Pre-approve your courses with your home study-abroad and academic advisors before departure — it's the key to clean credit transfer.

Know the Costs & Funding

WHAT TO KNOW

Costs vary by route: **exchange** students usually pay **home tuition**; **provider programs** charge a program fee (bundling tuition, housing, and support); **direct enrollment** means low or no tuition at public universities (a semester fee applies), though you cover living costs and show proof of funds. Germany—s cost of living is **moderate (low or no tuition)**. Look into **scholarships** (the Gilman (US students), Erasmus+ (Europeans), and provider aid), and check whether your **financial aid travels** with you.

HOW TO HELP

Budget by route — exchange (home tuition), provider (one bundled fee), or direct enrollment; Germany costs are moderate (low or no tuition). Pursue scholarships and check aid portability.

GOOD TO KNOW

Check whether your **home financial aid can be applied** to study abroad — many students fund part of the cost this way.

Understand the Student Visa & Entry

WHAT TO KNOW

Non-EU students staying **over 90 days** need a **student visa** and then a **residence permit** (registered after arrival); EU students don't need a visa. Germany requires proof of funds, often a **blocked account**. You'll typically show **proof of acceptance, sufficient funds, housing, and health insurance**. Shorter programs often need only standard Schengen entry. Start early — the process takes time. Confirm current rules with the relevant consulate.

Housing options include **university residences, homestays (great for language), and shared apartments**. Embrace the cultural differences — they—re the point.
