ABOUT K12 ACADEMICS

The world's largest education resource.

Online since 2004, K12 Academics has helped millions of families, students and educators **find the right school, college, camp, business and program in their community** — for every kind of learner.

EUROPE'S ENGLISH-TAUGHT STUDY HUB

the Netherlands is one of Europe's easiest study-abroad destinations for English speakers — the widest range of English-taught programs in continental Europe, top universities, and bike-friendly cities. This guide is for students planning a **semester or year abroad**: it covers **program types, credit transfer, costs, and the student visa**, and points you to the K12 Academics directory to find and compare programs.

General guidance, not legal, immigration, academic, or financial advice. Dutch rules, fees, and program details change and vary by institution. The details here are recent examples and **must be confirmed with your home study-abroad office, the host institution or provider, and the relevant consulate**. K12 Academics does not run or endorse any specific program — use the K12 Academics directory to find and compare your options.

1

STEP 01 OF 10

Understand Why Students Choose the Netherlands

WHAT TO KNOW

the Netherlands offers **the widest range of English-taught programs in continental Europe, top universities, and famously open, bike-friendly cities** — one of the most rewarding places to spend a semester or year abroad.

BY THE NUMBERS

Widest	Top	Open
English-taught	universities	bike-friendly cities

HOW TO HELP

Weigh the Netherlands—s **English-taught breadth and quality** against a higher cost of living and tight student housing — for studying in English at top universities, it—s a strong choice.

WATCH OUT

The Netherlands has the **widest range of English-taught programs** in continental Europe — the easy option for English speakers.

2

STEP 02 OF 10

Understand the Types of Study Abroad Programs

WHAT TO KNOW

Your main options: **direct enrollment** (you enroll at a local university — the most immersive), **exchange** (through your home university—s partnership — you pay home tuition), **third-party provider programs** (which bundle courses, housing, and support — the most guided), and **faculty-led short programs** (a few weeks with your own professors). Browse and compare options in **the K12 Academics directory**.

BY THE NUMBERS

Direct enrollment	Exchange	Provider / faculty-led
most immersive	pay home tuition	most guided

HOW TO HELP

Match the **program to your goals** — direct enrollment for immersion, exchange for value, a provider for support, or a faculty-led program for a short taste — then find options in the K12 Academics directory.

GOOD TO KNOW

Find and compare **specific programs, providers, and host universities** in the K12 Academics directory — this guide stays program-neutral.

3

STEP 03 OF 10

Understand Credit Transfer & Academics

WHAT TO KNOW

Credits use the **ECTS system** (30 ECTS ≈ a full semester). Before you go, **get your courses pre-approved by your home study-abroad and academic advisors** so credits transfer cleanly toward your degree. You—ll receive a **transcript** to bring home — keep syllabi and coursework in case of later evaluation.

BY THE NUMBERS

ECTS	Pre-approve	Transcript
30 ECTS	courses before you go	keep syllabi

HOW TO HELP

Protect your credits — get courses **pre-approved by your home office**, understand ECTS and local grading, and keep syllabi for transfer.

GOOD TO KNOW

Pre-approve your courses with your home study-abroad and academic advisors before departure — it—s the key to clean credit transfer.

4

STEP 04 OF 10

Know the Costs & Funding

WHAT TO KNOW

Costs vary by route: **exchange** students usually pay **home tuition**; **provider programs** charge a program fee (bundling tuition, housing, and support); **direct enrollment** means you pay the program or institution's fees and arrange housing (which is tight in student cities). the Netherlands—s cost of living is **moderate to high**. Look into **scholarships** (the Gilman (US students), Erasmus+ (Europeans), and provider aid), and check whether your **financial aid travels** with you.

BY THE NUMBERS

Exchange	Provider	Scholarships
pay home tuition	one bundled fee	Gilman, Erasmus+, provider aid

HOW TO HELP

Budget by route — exchange (home tuition), provider (one bundled fee), or direct enrollment; the Netherlands costs are moderate to high. Pursue scholarships and check aid portability.

GOOD TO KNOW

Check whether your **home financial aid can be applied** to study abroad — many students fund part of the cost this way.

5

STEP 05 OF 10

Understand the Student Visa & Entry

WHAT TO KNOW

Non-EU students staying **over 90 days** need an **entry visa (MVV) and residence permit**, usually arranged by the host university; EU students don't need a visa. You—ll typically show **proof of acceptance, sufficient funds, housing, and health insurance**. Shorter programs often need only standard Schengen entry. Start early — the process takes time. Confirm current rules with the relevant consulate.

BY THE NUMBERS

Non-EU	Arranged by	EU
entry visa + residence permit	the host university	no visa needed

HOW TO HELP

Know your entry — non-EU students need an **entry visa and residence permit** (usually arranged by the university); EU students don't; shorter programs often use standard Schengen entry; start early.

GOOD TO KNOW

Dutch universities usually **handle the entry-visa and residence-permit process** for you — a big convenience.

6

STEP 06 OF 10

Plan Health, Safety & Insurance

WHAT TO KNOW

Arrange **health insurance** that covers you in the Netherlands (some programs include it). the Netherlands is **generally safe, with normal big-city precautions**. Know your **program—s support and emergency contacts**, register with your **home country—s embassy** if advised, and keep copies of key documents.

BY THE NUMBERS

Health insurance	Safety	Know
required (some included)	normal precautions	program support

HOW TO HELP

Cover the essentials — health insurance (some programs include it), sensible precautions, and your program—s support and emergency contacts.

GOOD TO KNOW

Know your **program—s in-country support and emergency contacts** before you go — a good provider makes this easy.

7

STEP 07 OF 10

Prepare Language & Culture

WHAT TO KNOW

The main language is **Dutch**, so you can study **entirely in English**. Learning a little Dutch is appreciated but rarely necessary. Housing options include **university residences, homestays (great for language), and shared apartments**. Embrace the cultural differences — they—re the point.

BY THE NUMBERS

Language	Housing	Immersion
English (widest catalogue in Europe)	residence, homestay, apartment	the point

HOW TO HELP

Prepare to immerse — you can study entirely in English (a little Dutch is appreciated), choose housing that fits your goals (a homestay boosts language), and embrace the culture.

GOOD TO KNOW

A **homestay** is a fast route to immersion — a homestay is the fastest route to language immersion.

8

STEP 08 OF 10

Plan the Timeline & Apply

WHAT TO KNOW

Apply **well ahead** — typically **a semester or two before** you go. The usual order: **meet your home study-abroad office**, choose and apply to a **program**, secure **course pre-approval**, then arrange your **visa, housing, and insurance**. the Netherlands offers **fall, spring, summer, and full-year** options. Deadlines and visa processing drive the schedule.

BY THE NUMBERS

Apply	Order	Intakes
a semester+ ahead	home office → program → visa	fall, spring, summer, year

HOW TO HELP

Plan the sequence — start with your home study-abroad office, apply to a program, pre-approve courses, then handle visa, housing, and insurance; apply a semester or two ahead.

GOOD TO KNOW

Start with your **home study-abroad office** — they guide approvals, credit, aid, and often have partner programs ready.

9

STEP 09 OF 10

Make the Most of It

WHAT TO KNOW

Once in the Netherlands, **engage fully**: cycle everywhere, travel Europe, join student associations, and pick up some Dutch. Keep an eye on **credit and attendance requirements**, document your experience, and use your program—s support. A semester abroad is as much about growth as academics.

BY THE NUMBERS

Engage	Travel	Track
cycle, join associations	Europe	credit & attendance

HOW TO HELP

Thrive abroad — cycle, travel Europe, and join student associations, and stay on top of credit and attendance while making the experience your own.

GOOD TO KNOW

Build friendships **beyond fellow exchange students** — local connections deepen both language and experience.

10 STEP 10 OF 10

Find Your Program & Get Started

WHAT TO KNOW

Once you know your route, **find and compare specific study-abroad programs, providers, and host universities in the K12 Academics directory**. Work with your home study-abroad office, pre-approve credits, apply, and arrange your visa. Confirm current rules with the host university (which usually handles the visa) and the relevant consulate.

BY THE NUMBERS

Find & compare	Work with	Arrange
programs & providers	your home office	credits & visa

HOW TO HELP

Use **the K12 Academics directory** to find and compare study-abroad programs, providers, and host universities, work with your home office, pre-approve credits, apply, and arrange your visa.

WATCH OUT

Browse **the K12 Academics directory** to find the specific programs and providers that fit your goals and field of study.
