Understand Credit Transfer & Academics

WHAT TO KNOW

Credits use the **ECTS system** (30 ECTS ≈ a full semester). Before you go, **get your courses pre-approved by your home study-abroad and academic advisors** so credits transfer cleanly toward your degree. You'll receive a **transcript** to bring home — keep syllabi and coursework in case of later evaluation.

Know the Costs & Funding

WHAT TO KNOW

Costs vary by route: **exchange** students usually pay **home tuition**; **provider programs** charge a program fee (bundling tuition, housing, and support); **direct enrollment** means affordable public tuition (or fees for non-EU), plus your living costs. Understand the Student Visa & Entry

WHAT TO KNOW

North Macedonia is **outside the EU and Schengen**. Most international students staying **over 90 days** need a **student visa and/or temporary residence permit** (with acceptance, funds, and insurance); many nationalities enter visa-free for short stays. You'll typically show **proof of acceptance, sufficient funds, housing, and health insurance**. Shorter programs often need only the short-stay entry your passport allows (outside Schengen).
