RAPIDLY OPENING, AMBITIOUS, AND WELL-FUNDED

Saudi Arabia is a rapidly opening, well-funded Gulf study-abroad destination — ambitious universities (some world-ranked), generous scholarships, English-medium programs, and a transforming society. This guide is for students planning a **semester or year abroad**: it covers **program types, credit transfer, costs, and the student visa**, and points you to the K12 Academics directory to find and compare programs.

General guidance, not legal, immigration, academic, or financial advice. Saudi rules, fees, and program details change and vary by institution. The details here are recent examples and **must be confirmed with your home study-abroad office, the host institution or provider, and the relevant consulate**. K12 Academics does not run or endorse any specific program — use the K12 Academics directory to find and compare your options.

STEP 01 OF 10

Understand Why Students Choose Saudi Arabia

BY THE NUMBERS

Ambitious	Generous	Rapidly

2

STEP 02 OF 10

Understand the Types of Study Abroad Programs

WHAT TO KNOW

Your main options: **direct enrollment** (you enroll at a local university — the most immersive), **exchange** (through your home university—s partnership — you pay home tuition), **third-party provider programs** (which bundle courses, housing, and support — the most guided), and **faculty-led short programs** (a few weeks with your own professors). Browse and compare options in **the K12 Academics directory**.

BY THE NUMBERS

Direct enrollment	Exchange	Provider / faculty-led
most immersive	pay home tuition	most guided

HOW TO HELP

Match the **program to your goals** — direct enrollment for immersion, exchange for value, a provider for support, or a faculty-led program for a short taste — then find options in the K12 Academics directory.

GOOD TO KNOW

Find and compare **specific programs, providers, and host universities** in the K12 Academics directory — this guide stays program-neutral.

3

STEP 03 OF 10

Understand Credit Transfer & Academics

WHAT TO KNOW

Credits use the **the local credit system system** (converted for transfer via your home office). Before you go, **get your courses pre-approved by your home study-abroad and academic advisors** so credits transfer cleanly toward your degree. You—ll receive a **transcript** to bring home — keep syllabi and coursework in case of later evaluation.

BY THE NUMBERS

the local credit system	Pre-approve	Transcript
the local system	courses before you go	keep syllabi

HOW TO HELP

Protect your credits — get courses **pre-approved by your home office**, understand the local credit system and local grading, and keep syllabi for transfer.

GOOD TO KNOW

Pre-approve your courses with your home study-abroad and academic advisors before departure — it—s the key to clean credit transfer.

4

STEP 04 OF 10

Know the Costs & Funding

WHAT TO KNOW

Costs vary by route: **exchange** students usually pay **home tuition**; **provider programs** charge a program fee (bundling tuition, housing, and support); **direct enrollment** means you pay the program or institution's fees and arrange housing (scholarships are generous); costs are moderate to high. Saudi Arabia—s cost of living is **moderate to high**. Look into **scholarships** (the Gilman (US students), Erasmus+ (Europeans), and provider aid), and check whether your **financial aid travels** with you.

BY THE NUMBERS

Exchange	Provider	Scholarships
pay home tuition	one bundled fee	Gilman, Saudi scholarships, provider aid

HOW TO HELP

Budget by route — exchange (home tuition), provider (one bundled fee), or direct enrollment; Saudi Arabia costs are moderate to high. Pursue scholarships and check aid portability.

GOOD TO KNOW

Check whether your **home financial aid can be applied** to study abroad — many students fund part of the cost this way.

5

STEP 05 OF 10

Understand the Student Visa & Entry

WHAT TO KNOW

For study, you need a **student visa**, sponsored by your host university. Saudi Arabia is **opening rapidly** to international students; respect the Kingdom's conservative laws and customs. You—ll typically show **proof of acceptance, sufficient funds, housing, and health insurance**. Shorter programs often need only a short-stay visa (varies by program and nationality). Start early — the process takes time. Confirm current rules with the relevant consulate.

BY THE NUMBERS

HOW TO HELP

Know your entry — study needs a **student visa** sponsored by your host university; shorter programs often use a short-stay visa (varies by program and nationality); start early.

GOOD TO KNOW

Saudi Arabia is **opening rapidly** to international students — your host university sponsors the visa; respect local laws.

6

STEP 06 OF 10

Plan Health, Safety & Insurance

WHAT TO KNOW

Arrange **health insurance** that covers you in Saudi Arabia (some programs include it). Saudi Arabia is **very safe (respect conservative laws)**. Know your **program—s support and emergency contacts**, register with your **home country—s embassy** if advised, and keep copies of key documents.

BY THE NUMBERS

HOW TO HELP

Cover the essentials — health insurance (some programs include it), sensible precautions, and your program—s support and emergency contacts.

GOOD TO KNOW

Know your **program—s in-country support and emergency contacts** before you go — a good provider makes this easy.

7

STEP 07 OF 10

Prepare Language & Culture

WHAT TO KNOW

The main language is **Arabic (English used in many programs)**, and **English is used in many programs**. Saudi Arabia is a conservative Islamic country undergoing rapid change; respect local laws, and some Arabic helps daily life. Housing options include **university residences, homestays (great for language), and shared apartments**. Embrace the cultural differences — they—re the point.

BY THE NUMBERS

Language	Housing	Immersion
English (many programs)	residence, homestay, apartment	the point

HOW TO HELP

Prepare to immerse — English is used in many programs (respect conservative laws), choose housing that fits your goals (a homestay boosts language), and embrace the culture.

GOOD TO KNOW

A **homestay** is a fast route to immersion — a homestay is the fastest route to language immersion.

8

STEP 08 OF 10

Plan the Timeline & Apply

WHAT TO KNOW

Apply **well ahead** — typically **a semester or two before** you go. The usual order: **meet your home study-abroad office**, choose and apply to a **program**, secure **course pre-approval**, then arrange your **visa, housing, and insurance**. Saudi Arabia offers **fall, spring, summer, and full-year** options. Deadlines and visa processing drive the schedule.

BY THE NUMBERS

Apply	Order	Intakes
a semester+ ahead	home office → program → visa	fall, spring, summer, year

HOW TO HELP

Plan the sequence — start with your home study-abroad office, apply to a program, pre-approve courses, then handle visa, housing, and insurance; apply a semester or two ahead.

GOOD TO KNOW

Start with your **home study-abroad office** — they guide approvals, credit, aid, and often have partner programs ready.
